

# JUST DANCE

## December Newsletter

### Christmas Break

There will be no dance December 19th- January 1st. This means the fall semester is now coming to and end. If you chose to pay by the semester, the new semester payment will be due in January when you return. Please keep in mind spring semester will only be three months of payment for creative movement and kindergarten dancers, you pay for the month of April and all level 1 and it will stay the same price as the fall semester but you do not pay for the month of May. This is to compensate for no dance during Thanksgiving, Christmas, and spring break. If you have any questions regarding this payment please see your child's teacher.

### Costumes Measurements

We will be measuring all dancers for their costumes this month. If you would like us to go up a size if you are feeling your child is going through a growth spurt or you would like it bigger to grow into in the future, please let us know. Also if you would like any alterations done to the costume please let us know as soon as possible. Ms Cassie helps us out every year with costume alterations, so if your child needs it fitted once they come in we do this for you no charge. If you are unable to attend dance this month for any reason, please contact Ms Jeni to set up a time to bring your child in to get measured.

### Hello dancers and parents,

We hope you all had a safe and blessed Thanksgiving! Even though we only have a few weeks of dance in the month of December, there is still a lot we have to fit into the next three weeks.

We will be measuring all kids this month for costumes. We know with school programs and the hustle and bustle of the holidays its hard to make it to dance this month, so if you are unable to come please set up a time for your child to come in and be measured for their costumes, as we will be purchasing costumes over break.

## **Creative Movement/ Kindergarten Christmas Party**

---

We will be having a coco and cookie Christmas party December 12th and 14th. Please keep an eye out for the sign up sheet for goodies for the party. We will do our three Christmas dances we are working on then we will open the door and welcome in parents for our cookie and coco party. Then we will play a few fun Christmas games. So please feel free to come join us for some Christmas fun.

## **Stretch of the month**

---

We have decided to try something new this year and add a stretch of the month. Each month we will put a new stretch on our website (on the bottom of the home page). If your dancer would like to participate in the stretch of the month print it off of the website and initial every day they do the stretch. At the end of the month they can bring in their initialed paper to their teacher for a small prize. If you have any questions please let us know.

There will be no dance the week of December 19th to January 1st. Please make sure to get your child's monthly payments and costume money in as soon as possible to avoid any late fees. We will not purchase a costume for any dancer who has not turned in costume money or is not current on their monthly fees. If you need to set up a payment plan to help pay for either please contact Ms Jeni to set this up.

From everyone at Just Dance we would like to wish you all a very merry Christmas and a Happy New Year. We are truly thankful to have all of you in our program.
