Celebrating 10 years

Just Dance will be celebrating our 10th year in business this year with a bring a friend to dance week, September 12th-15th. If you bring a friend to dance and they enroll in the 2016-2017 dance season not only you but your friend will receive \$10 off the month of October. Sorry but this does not apply to creative movement and the kindergarten classes as they are full and cannot take anymore students.

Price Increase

If you haven't already noticed there has been a price increase this year. As much as I absolutely hate to higher prices especially the way the economy is in Craig right now, we really didn't have many options. Due to new ownership of the Centennial Mall, I was told I would have a rent increase this year and a percentage increase every year, for the next three years until my lease is up again. It was either jump on board or find a new location. We love our location and have made this space our home so we decided to increase our prices for the first time in 10 years, in hopes we will not have to higher them again for the next 10 years. We apologize for the changes but hope you understand our reasons for the increase. Please visit our website for pricing changes.

Welcome,

New dancers and parents to the 2016-2017 Just Dance season. We are so excited for another great and memorable year, getting to know our new dancers and improving the skills and techniques with our existing students. We hope you all have had a relaxing and enjoyable summer.

For those of you who don't know Ms Jeni welcomed another happy, healthy little boy to her family. Kipten Jayce was born May 19, 2016, weighting 6lbs 10oz and 19 inches long.

Ms Kalee has closed down Studio V and opened up Inspiring Minds learning Center in that location. She will still be selling

Peter Pan

We are excited to announce that this year spring production will be Peter Pan. All level 1 and up will be performing in this production. If your child is interested in trying out for a lead role auditions will be held September 16th at the studio. Times and list of roles will be announced when we get closer to auditions.

All Creative Movement and Kindergarten classes will still have their own recital held in April. We will hopefully have a date set by October.

We are also throwing around the idea of putting on the Nutcracker, this December. Auditions for the Nutcracker will be September 9th from 3:30-5:30 at the studio. We will then see if there is enough interest to whether or not we will go ahead with the production. All dances will be taught on Saturdays and possibly Sundays from September until December. This will also be a separate payment, for both the classes and the costume. If you are interested and want more information please see your classroom teachers.

dance shoes, tights and some dance apparel. You can visit her during office hours 12-4 Tuesday & Thursday in August or 12-3:30 Monday & Wednesday during the school year or call her at 970-219-0146 for an appointment. For more information on her new business please see Ms. Kalee. Ms Kalee will also be offering a new and fun dance class this year. Last spring Ms Kalee traveled to Salt Lake City where she became certified in AcroDance, levels 1-6.

This year we will start a fun new monthly program with all the creative movement and kindergarten classes. Every third week of the month we will have a theme day. All parents will get a list of all the theme days on the first day of class. Please make sure to look for reminders on our Facebook page every month. The first theme day will be the week of September 19th and will be super hero day. Please come in any super hero attire you have and we will have a fun day full of super hero theme dance games. If you have any questions about these theme days please see Ms Jeni.

We will also start our fall fundraiser in the month of September. The Gold Canyon fundraiser will be handed out to every student. It is an optional fundraiser but every candle sold goes toward your child's costume, so please keep an eye out for this information.

We thank you all for enrolling your child in our dance program and we look forward to another amazing year with your dancer. If you have any questions regarding any of the newsletter information please feel free to contact Ms. Jeni.
